

Jan-Åke Åkesson

Partner European Patent Attorney, European Design Attorney

Jan-Åke Åkesson is a certified European Patent Attorney specialising in the field of mechanical engineering. The main focus of his work is strategic consulting aimed at building up client's IP portfolios and advising on how to act in potential and actual disputes. Prior to joining AWA in 1995, Jan-Åke has been working as a development engineer at Tetra Pak AB.
